The smarter way to study

Parent Tuition Questions Checklist

Questions to ask when comparing small-group, individual and online tuition.

Learning and teaching

- [ ] Which specific skills will the initial assessment check?
- [ ] Will my child follow a personalised learning plan?
- [ ] How many students study with each teacher?
- [ ] How will my child receive explanations and individual feedback?
- [ ] How will you measure and share progress?
- [ ] Does the tuition match my child's exam board or school level?
- [ ] What will my child practise between lessons?
- [ ] When can we review whether the support is working?
